

Accessing MyMaths on your iPad or Tablet

At this present time, MyMaths is not compatible with iPad or tablet web browsers. The reason being that MyMaths requires the use of "Flash" to work and iPads and some tablets don't have flash built into the devices web browser.

To access *MyMaths* on your tablet or iPad, simply download the Puffin Academy App from the Apple or Android store to your device.

1. Select/open the App Store

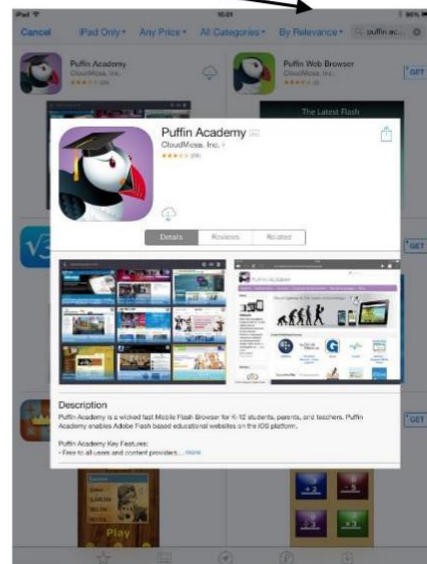

2. Within the search bar, search for Puffin Academy

3. Select option to 'Get'

4. Select option to 'Install'

5. You will be prompted to enter your personal apple id password (please note this app is free)

6. Once the download is complete, either select 'open' or, from your device screen, launch the Puffin Academy App to access MyMaths

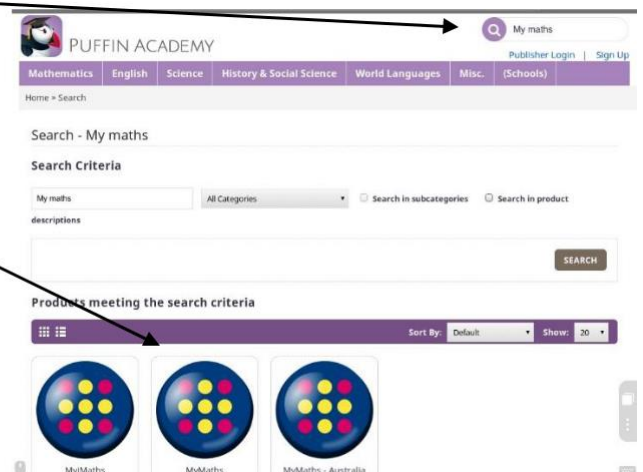

7. Select the Puffin Academy Portal

8. Within the search bar, located at top of page, search for *MyMaths*

9. Select MyMaths

10. Select launch or install to launch MyMaths. 'Launch' will open MyMaths. 'Install' will install an icon on the Puffin Academy landing page. If you chose this option, launch the icon. Either option is suitable.

11. Enter school username/password as per instructions (School username: kidbrooke / School password: triangle286)

12. Enter your child's personal username/password as provided.

13. Once this process is complete, every time you select the Puffin Academy App, MyMaths will launch.
