

Nursery Admissions Policy

- Parents/Carers may register their child on the Nursery waiting list by giving details to the office.
- Children must be 3 years old before they can be admitted to the Nursery.
- The main intake will be during the Autumn Term but places which become available during the year will be offered to children still on the waiting list using the criteria below.
- Places will be offered and meetings/visits arranged, during the Summer Term prior to main Autumn Term admissions.
- Parents/Carers offered a place must accept the place within 2 weeks otherwise the place will be reallocated and the child's name removed from the waiting list.

Nursery Admission Criteria are as follows:

1. Children should be Manchester residents.
2. Children who have an elder brother or sister attending this school at the time of admission.
3. Other children, on age basis of eldest first, based on living distance from school (closer distance may be out of Manchester for example, Salford & Bury), with no siblings attending this school at the time of admission.
